## 2020 Rube Goldberg Event

### Edison Gym, April 7th, 5:00-6:30p.m.

I, \_\_\_\_\_, hereby give my permission for my child, \_\_\_\_\_ to participate in Edison Studio's Rube Goldberg Event on April 7, 2020 from 5:00-6:30 p.m. I understand that \_\_\_\_\_ will be the supervising adult for my child's team (at least one required per team) and that I am responsible to provide or arrange for transportation to and from this event for my child. **Teams can be made up of two, three or four Edison 3rd-5th graders.** (Sorry, no younger team members!) My child is on a team with:

The team will receive one Rube Goldberg Starter Kit (courtesy of the wonderful Edison PTA!) which has six items (pictured above) that **MUST** be in every Rube Goldberg machine, including the **cowbell which *must* ring at the end of the chain reaction!** This is JUST a Starter Kit - lots of things will be added from your homes! Between now and April 7th, your child should meet with his/her team to plan and design their Rube Goldberg machine using the items in the Starter Kit PLUS other items from your homes! They may ***and should*** add lots more stuff to make the Rube Goldberg machine the best it can be! [Click here to go to the Official Edison Studio 2020 Rube Goldberg Event website!](#)
